Believe this post could use some night entertainment. The nightclub is only open on Friday nights. Perhaps if it would open on Thursdays and Saturdays, this would attract more clientele.

This installation has barely anything to offer. Everything has either been cut due to expensive. To be competely honest they might as well have no MWR activities here at all. This has been the worse installation in regards to having things for military dependents and active duty personnel.

I would like to comment on the Fort Hamilton Community Club. I think that the management could be greatly improved because it is my belief that the top managers are very incompetent in their job and they are very rude to their workers.

I would like School Age Services to get out of the basement and into thier own building. I would also like them to have thier own park so that they don't have to cross streets with the children. Also, I would like School Age Services to have a permanant FULL-TIME director.

I tried to fill this survey out as best as I can for myself. I retired from the NYAR National Guard in 1988,I have a total of 22 years of service. I don't live on post. My closet facility is my Armory in Staten Island NY ,the closet post is Ft Hamilton in Brooklyn, Ft Wadsworth Us coast guard I use these facilities for shopping with my wife. I use the facilities at FT Mammouth, Picatinney arsenal for golfing. I'am a member of Suneagles Golf Course at Ft Mammouth, I have been to Hale Koa, Shades of Green(Have reservations for Feb2006),and have enjoyed every minute of it.

Thank you

I do not live close enough to this base for use of the facilities to be practical.

If you are going to utilize MWR funds for a survey you should target the people you send it to better or save your money and use it for more worthwhile purposes.

I was in Food Service in Desert Storm with The 920th Transportation Ptl,out of Caven Pt, Jersey City, NY(USAR). We serve a lot of companys hot meals and fueled a bunch of vehcile in Saudi Arabia.

The one MWR facility I used regularly was the Fort Hamilton car wash. However, it was closed more than five years ago during the construction of the new commissary. It was never reopened. Like millions of other New York City residents, I live in a high rise and must use commercial car wash businesses. Having an on-post car wash offers the ability to care for one's own vehicle in the special way that no commercial car wash can give. I would love to once again have a car wash unit at Fort Hamilton.

Closure of the post theatre makes ity seem that this post is a backwater. Films that were offered in the past weren't first run or first rate, justifying the closure because of poor attendance. Not enough effort was made to draw a larger attendance.

As stated during the answering of previous questions, I was not aware of the services offered by the Army community for the Army community. My husband has been stationed away from our family since joining the Army in July 2003, and I never knew what is available to me or my daughter. I would love to know more!

CDC on post I have been on waiting list almost a year. Now my child is 4 months and because my husband is active duty and I am a civilian I have not been allowed to place my child at center. We have been bumped off about 3+ families who have taken the spot my child should of had. I was told that no one on post was allowed to watch my child since no one was licensed. My husband works 12 hour shift at this time and it would have been great as well as helpful to have my child be able to go to center once a spot was open.

ACS Concerns receptionist is terrible

Overall Comment

The reason I only go to ACS when I absolutely have to is the receptionist. She is not helpful, not friendly, and impatient. Everywhere else I go on the post people are so friendly.

I would also like to recognize the laundry facility, Penny is so helpful, friendly and accomodating. We feel so welcome to bring anything we need done there. Penny works so hard for all of the soldiers and their families, she should receive recognition. Joe is also helpful and very friendly.

The commissary is a disgrace, the shelves are constantly empty. This has been brought up to the management for the last 3 years that I have been here, with NO improvement. It is such a beautiful facility, but it's run so poorly.

ft hamilton is a post families should not be sent to. this post is not like what most military families are used to. most of our activities have to be done off post. our children find there is nothing to do on post. this post being in ny is very overwhelming, of organized outings would be very welcoming.
